I agree – one signature.  
Shawn has chimed in and wants to the Chief of Staff to make a decision.  
Not sure what will happen.

Thanks Mike- We were in favor of Susan or someone in HQ sending out on behalf of all Regions and HQ, but knew we'd never get three signatures!

To be honest, it doesn't make sense to me to have three signatures. To those outside EPA, and the image we should project, is that we are EPA (not R3, 5, HQ).  
I might be swayed if there was specific reason, but the letter is so short and to the point. We are simply saying that the issue is confidential.  
In a few mins. I have a mtg with my RA, who was supposed to sign the letter. I'll ask him and let you know.  
Thanks.  
Mike

Thanks, Karen – I was on the phone with Susan and her recommendation was that Region 3, Region 5, and HQ have one response (all signed). We should send one letter with three signatures, I think.

Mike, is this a problem? I'm sorry.

That wasn't our understanding. I've copied Mike D'Andrea who has our current response for Shawn's review and approval. I'd figure he will coordinate with HQ but we didn't know there would only be one response. We've run into him turning this around in his next letter saying he hasn't gotten responses from X Region, or recipients of previous letters...

If we all send the same letter with various signatures would that work?

All -- we need to discuss the Bilott response at 11. Susan reiterated this morning that there should be ONE response from HQ, Region 3, and Region 5. She wants Shari to review. Has the letter been sent yet? If not, we need to discuss and have HQ send. I'm sorry if there was any confusion.
